

Khoroshkin Sergey

Address: Institute of Theoretical and Experimental Physics, Bol. Cheremushkinskaya 25, Moscow 117218, Russia

Email: khor@itep.ru

Present positions:

Institute of Theoretical and Experimental Physics, leading sci. researcher;

Departement of mathematics, Higher School of Economy, professor.

Previous positions:

Sci. researcher, 1-st Moscow Medical Institute, 1980-1982,

Assistant professor in Moscow Institute of Radioelectronic science, dpt. of Math., 1983-1986,

Associated professor (docent) in Moscow Institute of Radioelectronic science, dpt. of Math., 1986-1990, senior sci. researcher, Moscow Institute of New Technologies in Education, 1990-1994.

Ph.D. 1982, Moscow State University, "On some categories of Harish–Chandra modules for real semisimple Lie groups",

advisored by Prof. I.M.Gelfand;

Russian doctor degree. 1998, St.Petersburg Division of Steklov Mathematical Institute, "Quantum deformations of affine algebras"

Education: Moscow State University, dept. of math., 1972-1977, postgraduate in 1977–1980, the same place;

Fields of Research: representation theory, mathematical Physics, 68 publications

formal data: born 15.09.1954, Halle, Germany,

citizenship: Russia,

married, 3 children

Home adress: Ostrovityanova 15–1–45 Moscow 117437 Russia
